PETITION

To the Honourable the Speaker and Members of the Legislative Assembly of the Parliament of Western Australia in Parliament assembled.

We, the undersigned, urge the State Government to instruct the Environmental Protection Authority (EPA) to formally assess the proposed Bitumen/Asphalt Emulsion Plant at 5 Marion Road, Maddington with no less than a Public Environmental Review to be undertaken.

We believe there are sufficient and compelling grounds to warrant a formal approval process and ask the Legislative Assembly to ensure that the State Government immediately moves to implement this EPA review.
